

**WOLLASTON GARDEN CLUB
MEMBER SCHOLARSHIP APPLICATION**

Purpose: To increase knowledge and expertise of our active members by funding partial scholarships to National Garden Clubs, Inc Schools (Landscape Design, Flower Show School, Environmental Studies, and Garden Study) the Master Gardeners Program, and other approved courses/workshops. The expectation is that scholarship members will share newly acquired expertise with the garden club in both future program and club project work.

Requirements: Scholarship candidates must be active members for two (2) or more years, which includes participation and work on club committees and projects.

An interested member should fill out the application below, and submit it to the current Horticultural Chair for approval. Members should pay their tuition and submit a receipt for the course along with a **WGC Expense Voucher** to the WGC President for payment approval. A check for half the amount will be mailed to the member by the club Treasurer upon successful completion of the course.
